(with an enclosure)

Through the Accountant-General.

Sir,

Establishment - District Court, South Kanara - temporary clerk - retention for one year from 1st April 1928 - Refce: G.O.Misc.3632, Law (General), dated 26-11-1926.

In G.O. No.Misc.3632, Law (General), dated 26th November 1926 the Government sanctioned the appointment of a temporary clerk on Rs.35/- a month, for a period of one year in the District Court of South Kanara. The appointment was made with effect from 1st April 1927 and consequently the present sanction expires on 31st March 1928.

2. A copy of a letter D.No.595, dated 8th February 1928 from the District Judge, South Kanara, furnishing statistics as to the amount of work turned out by the clerk since his appointment

appointment and the work which yet remains to be done is enclosed. The Hon'ble the Judges consider that there is enough work for the clerk for a year more.

3. I am, therefore, to request that H. E. the Governor-in-Council may be pleased to sanction the retention of the clerk for a furtner period of one year from 1st April 1928.

4. The extra cost can be met out of the budget grant for the next year under "24 (e) (ii) - Mufassal Civil and Sessions Courts - Pay of Establishments - Voted - Temporary".

I have the honour to be,

Sir,

Your most obedient servant,

REGISTRAR.

B.A.

Copy of letter No.D.595, dated the 8th February 1928 from the District Judge, South Kanara:--

With reference to your R.O.C.No.226/28-D.2, dated the 25th ultimo, I have the honour to state that the arrears in the Record Room of this court for the clearance of which the temporary clerk was entertained with the sanction of the Government consisted of the following items of work:-

(a) the sorting of the records in 14191 bundles relating to seven of the abolished Courts mentioned in my letter No.4454, dated 14-10-1926 and

(b) the preparation of new index registers showing the numbers of the suits the records of which are liable to be retained permanently and

(c) re-writing the index registers of the existing courts.

Work actually done:

2. Though the temporary clerk worked during the whole of the last mid-summer recess he could complete the re-writing of the Index registers only of the Sub-Court and the District Munsif's Court, Mangalore, by the end of August last. The sorting of the records commenced in September last and the clerk has been able till now to sort only 8000 bundles and to prepare index registers in respect of suits liable to be retained out of those bundles.

Work remaining to be done:

3. There are still 6000 and odd bundles to be sorted and the writing in the documents relating to these records is so indistinct and so difficult to decipher that the work will occupy a longer time than the former records. New index registers of the suits liable to be retained have also to be prepared.

4. The index registers relating to the District Court, the Courts of the District Munsifs of Kasargod, Udipi, Kundapur, Karkal and Puttur require to be re-written in view of the fact that the leaves in the registers are thin and flimsy and the writing on most of them has completely faded. All this work will occupy the clerk at least one year from April next.
